Dear Customer

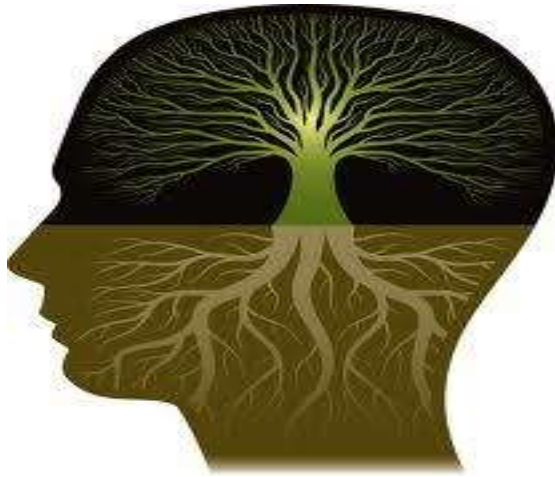

# Kamya

## SHIPPING PVT. LTD.

"We solve, before you foresee"

## KAMYA's Management

we focus on 5PL which is the next generation in Supply Chain services, combining innovation in supply chain design with the added value services of opening up opportunities and then using creative smart Supply Chain to get consignments to their destination very cost effectively. Low cost solutions are a top priority for a wide range of businesses. A recent survey found that some 90% of businesses placed sustainability reduction of cost at the top of their agendas.

**KAMYA** stands on a culture of consumerist liveliness clubbed with professional attentiveness. It is known for transparent work practices and systems built on characteristics of integrity, best business practice and focused customized solutions

Kamya offers a convenient menu of standard freight management services, including Sea, Road and Custom Clearance to balance urgency and cost-effectiveness for your day-to-day shipments. Some of the factors that have helped us to evolve as the preferred Supply Chain solution provider are as follows:

- ✓ Tailor-made Supply Chain/ outsourcing packages for handling the specific needs of our customers
- ✓ Well-knit global network with presence in Asia, Europe & USA.
- ✓ Capability to handle export and import of full loads or consolidations.
- ✓ Flexible multi-modal capability combining FCL/LCL deep sea services and overland network.
- ✓ Stock control and warehousing /distribution programs as well as track and trace systems for meeting the import as well as export related needs.
